- Annual and Sick leave for full time non-exempt staff, exempt staff, and 12-month faculty
- Minimum 12 paid holidays per year
- WVU Parkersburg tuition waiver (if eligible) for an employee, employees' spouse or dependent of a full-time benefits eligible employee who is 24 years of age or younger

To Apply

- Submit an Employment Application packet available at www.wvup.edu/jobs
- If the position requires a degree, attach a scanned copy of your unofficial college transcripts with the Employment Application packet.
- WVUP is an Equal Opportunity Employer. Minorities/Veterans/Disabled Encouraged to Apply.

Posted

07/31/2025 and will remain active until filled with preference given to applications that are received by 08/21/2025.

Effective

Spring semester, January 2026

Employment Status

Exempt, 9-month, full time regular appointment, benefits eligible.

Primary Location

Main Campus

Salary and Rank

Salary and rank are commensurate with education and experience.

Responsibilities

- This appointment will include a 15-credit hour teaching load per semester in Anatomy and Physiology.
- Other college level courses may also be assigned depending on the selected candidate's credentials.
- Most instructional duties will be at the main campus in Parkersburg but may also include the instruction of classes at any of our branches.
- Teaching assignments may include evening, weekend, hybrid and/or totally on-line instruction.
- In addition, duties will include academic advising, committee service, program and course-level assessment, program support, effective use of learning management systems, student recruitment/retention and professional development.
- Use of learning management systems and demonstrated effective use of technology is a condition of continued employment beyond the first year.
- WVUP values creativity, individuality, and innovation, and expects the selected candidate to actively participate in the college community.

Requirements

- A master's degree in Biology or a closely related field from a regionally accredited college or university OR
- A master's degree with at least 18 graduate credit hours in Biology or a closely related field
- Demonstrated experience teaching Anatomy and Physiology, preferably to health science majors
- Experience developing and delivering engaging, lab-based instruction that supports student learning in Anatomy and Physiology
- Understanding and application of assessment practices is strongly preferred.
- Successful college-level teaching experience is preferred, as well as prior effective use of technology in instructional delivery, and a willingness to deliver courses in all instructional modalities.
- Demonstration of teaching effectiveness is part of the on-campus interview.

WVU Parkersburg is an Equal Opportunity Institution and does not discriminate on the basis of race, sex, pregnancy, age, disability, veteran status, religion, color, ancestry, or national origin in admission, employment, educational programs or activities. Further, faculty, staff, and applicants are protected from retaliation for making complaints or assisting in investigations of discrimination. WVU Parkersburg will take steps to assure that a lack of English language skills will not be a barrier to admission and participation in career and technical education programs. Auxiliary aids and services are available upon request to individuals with disabilities. WVU Parkersburg provides a collegial and respectful environment that values the contribution of all faculty, staff, and students.
